PROFILE

I am an experienced Web Designer of 3 years. I possess a strong background in overseeing, creating, designing and maintaining functional attractive websites for clients. I have a great understanding of wordpress and have a good track record of improving ux scores.

PROFESSIONAL EXPERIENCE

Envision 3 Studios, Web Developer, Graphic Designer

06/2012 – 06/2017

- Developed WordPress functionalities, including Search Forms, Custom Fields, Plugin Customization, Theme Customization, Website Migrations, eCommerce Data Entries and Social Media Integration.
- Managed client's website design from concept to final product.
- Performed routine updates, upgrades and overall maintenance of website
- Collaborate with project managers to ensure production timelines / deadlines are met and completed within budget

Rock Digital Media, Web Designer

July 2018 – present

- I assisted in developing & designing a multi-site web agency using WordPress. I conducted competitive industry research; including listed prices & plans, technologies used, available support systems and marketing strategies.
- Handled all composition, color, illustration, typography, and branding for client projects. Turned in projects an average of 5% faster than targets.
- Assisted internet marketing team to update client websites and increase search engine exposure. Collaborated with project manager and programmers to layout site functionality
- Worked directly with clients to establish project scope, interaction guidelines, and project timelines.
